Subject:

Performance reference for Hygeia Foundation – CREST Resource Centre Program

Based on our experience with Hygeia Foundation – CREST Resource Centre Program on the activities supported by the Delegation of the European Commission in Romania, we have the following comments:

Hygeia Foundation - CREST Resource Centre Program demonstrated the ability to comply with the conditions and requirements of any grants or awards of which we are knowledgeable.

Hygeia Foundation - CREST Resource Centre Program satisfactorily complied with all reporting requirements, both financial and programmatic, for any grants or awards of which we are knowledgeable. This includes timeliness and thoroughness of its reports and the reliability of the information contained therein.

To the best of our knowledge, Hygeia Foundation - CREST Resource Centre Program has a satisfactory record of performance on any projects in which we were involved, including the extent to which targets were met and the project beneficiaries were satisfied with Hygeia Foundation - CREST Resource Centre Program performance.

To the best of our knowledge, Hygeia Foundation - CREST Resource Centre Program has a satisfactory record of integrity and business ethics in implementing any projects in which we were involved.

To the best of our knowledge, Hygeia Foundation - CREST Resource Centre Program has demonstrated that it is otherwise qualified to receive support from any foreign partner.
