Recommendation letter

Herewith, I would like to recommend the *Centrul de Resurse CREST* organisation as a professional non-governmental organisation having a good capacity to implement externally funded projects.

The innovatory approaches, the strive for perfection and the continuous concern to support and develop projects aiming at the capacity building of the Romanian civil society are the most important traits of this organisation. The *Centrul de Resurse CREST* has implemented in the period September 2007 – July 2008 a project supported by the Netherlands' Embassy and the results met fully the initially set aims and objectives.

Therefore, I recommend *Centrul de Resurse CREST* as a reliable and capable organisation.

Should you need any further information please do not hesitate to contact me.

Sincerely yours,

Iwan Rutjens
Second Secretary
